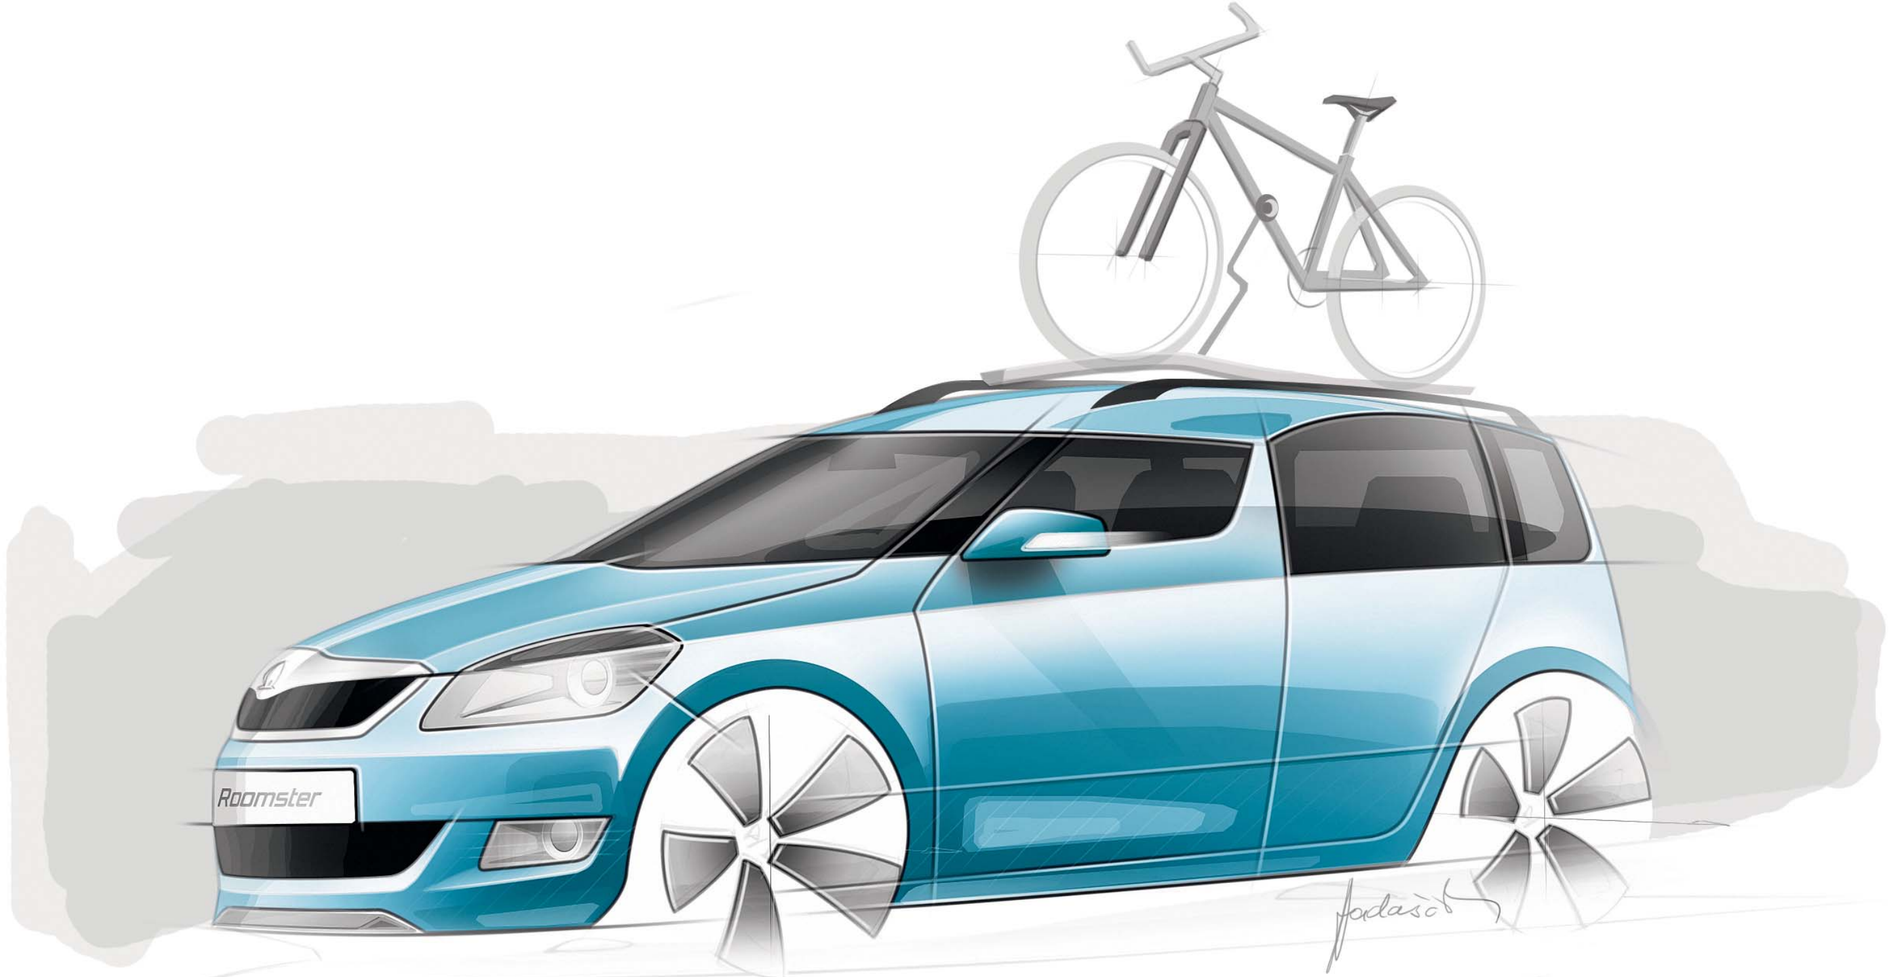
ŠKODA

ŠKODA Roomster – Accessories

The **ŠKODA Genuine Accessories** allow you to emphasise the uniqueness of the car, maximise its practicality and enhance its comfort. In our range, which is essentially an extension of the extra equipment, you will find various products including alloy wheels, leather accessories, sunblinds, radios, navigation systems, foot mats, child seats for children of all age groups and so on.

All our products have been approved by ŠKODA Auto so with them you choose maximum safety and reliability.



Sport & design

With accessories from the sport & design category you not only stress the original concept of the model but also give it a sporty style. We offer you, for example, decorative foils and door sill covers, leather accessories and, last but not least, a wide choice of alloy wheels ranging from 14" to 17".

Music & communication

The music & communication category enjoys the most progressive developments as well as the most remarkable technological advances. The top of the range is represented by accessories such as the Swing radio and Amundsen+ navigation system, which enable the transfer of information between the Maxi DOT digital display, the Climatronic air conditioning and the parking sensors. The rear seat passengers will not get bored even during long journeys as they can be entertained by the DVD player with an LCD screen.

Mobile phone adapter for vehicles equipped with the universal GSM preparation with hands-free holder on the dashboard (ATC 600 0XX, 3T0 051 435-C - depending on mobile phone type)

Radio Swing: CD player for audio CDs and MP3 or WMA audio files, amplifier power 4x 20 W, digital signal processor with equaliser (5J0 035 161D)

Connecting cable for MDI (Mobile Device Interface)
for iPod/iPhone-MDI (AZO 800 001);
for USB-MDI (AZO 800 002);
for miniUSB-MDI (AZO 800 003);
for 3.5mm jack-MDI (AZO 800 004)

Portable DVD player with a 7" LCD screen, remote control, DVD, VCD, SVCD, MP3 etc. data support, with SD memory card reader;
the product has successfully passed the crash test;
the kit includes a special bracket for mounting the LCD screen to the headrest (AAM 000 002)

Navigation SD cards
for Amundsen+ navigation system;
Western Europe (3T0 051 255);
Eastern Europe (3T0 051 255A)

Kit for additional fitting of hands-free
for safe phone communication while driving; easy control via touch screen; Multipoint functionality enabling simultaneous connection of 2 mobile phones (5J0 051 473)

Kit for additional fitting of hands-free
with button module; without touch screen (5J0 051 473A)

Kit for fitting rear speakers
(ABA 700 002)

Amundsen+ navigation system: Radio with CD navigation system including map data for Western or Eastern Europe, integrated Bluetooth hands-free and SD, SDHC and MMC memory card reader, player of audio CDs and audio files in MP3, WMA, OGG and AAC formats, CD-changer or MDI connection, TMC traffic news support, ability to control via 5" TFT colour touch screen;
Western Europe maps (5J0 051 230B);
Eastern Europe maps (5J0 051 230C)

Radio Blues: CD player for audio CDs and MP3 audio files, AM/FM tuner with RDS system, convenient electronic encryption allowing operation only in a specific vehicle, amplifier power 4x 20 W (5J0 035 152B)

Fitting kit (AZO 700 001) and **cable adapter** (AZA 700 001A) are necessary for fitting a non-original radio into a car with a preparation for a ŠKODA radio.

Comfort & utility

The range of accessories presented under the joint title of comfort & utility is very extensive so everyone will find products fulfilling his or her specific requirements for comfort and practicality. While the driver's level of comfort will, for example, be enhanced by the cruise control, the whole crew will appreciate foot mats, sunblinds or wind deflectors. Practical accessories for the luggage compartment will broaden storage options and thanks to the cooling box you can enjoy refreshment at any time or place.

Thermo-electric cooling box;
15-litre capacity
(5L0 065 400)

Clothes hanger
(3T0 061 127)

Ski sack;
for 2 pairs of skis
(DMA 630 004)

Foot mats; 4-piece sets
Prestige textile (DCA 770 003A);
Standard textile (DCA 770 002A);
rubber (DCC 770 001A)

Cruise control
for all engine versions
for cars with on-board computer (5J1 035 623A);
for cars without on-board computer (5J1 035 623)

Remote control
for central locking
(5J0 054 907)

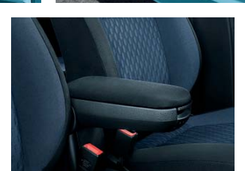
Net under the parcel shelf
(DMK 770 001)

Netting system;
floor net (DMA 770 001)

Netting system;
vertical nets
(DMA 770 002)

False boot floor;
2-part
(DAA 770 001-002)

Boot bag
(DMK 770 003)



Armrest
(DAO 700 001)

Plastic boot dish
(DCE 770 001)

Rubber boot mat
(DCD 770 002)

Protective cover of the rear bumper
(KDA 770 004)

Waterproof boot liner
(DMK 770 002)

Rear bumper cover foil
(KDX 770 001)

Transparent protective rear bumper cover foil
(5J7 071 133A)

successfully passed City Crash Test
No photo: **Lockable luggage box;** 370-litre capacity
(LBT 009 002A)

Transverse roof rack (LAS 620 002A)

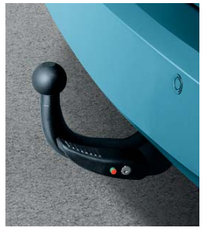
Roof railing (LAH 770 001)

CITY CRASH TESTED TECHNOLOGY

The City Crash is a method of testing genuine accessories products that can be fitted to the vehicle's body, such as roof railings, transverse roof racks and other transport systems including boxes, bicycle, ski and surfboard carriers etc.
Method: A section of the body is fitted to special skids, which are travelling at a speed of 30 km/h. At the moment of the simulated collision, the force reaches between 9 and 12 G's and lasts for 80 ms.
Evaluation: In order to successfully pass the City Crash test, none of the transported objects may get detached from the body, which demonstrates that the safety of both pedestrians and other vehicles in real traffic is not endangered by the product.

Bicycle carrier for a tow bar; 2 bike capacity (3T0 071 105)

Interior bicycle holder for 2 bicycles (3T9 056 700)



Detachable tow bar (EEA 700 001)
Electrics – comfort version with 13-pole socket
for cars without serial preparation for the tow bar (5J1 055 316B);
for cars with serial preparation for the tow bar (5J7 055 316)
Electrics – basic version for cars without serial preparation for the tow bar (5J7 055 316A)
Adapter with 7-pole socket for trailer connection (EAZ 000 001A)
Safety lug of the tow bar for the trailer (5J0 056 705)

Safety

A high level of safety is a characteristic feature of the Roomster model. You may further equip your car with products from the ŠKODA Genuine Accessories according to your and your family's needs and lifestyle. Child seats will ensure a safe and comfortable journey for the youngest passengers weighing up to 36 kg. Snow chains are an essential piece of equipment for mountain enthusiasts and an alarm or mechanical drive locking system will help you better secure your vehicle.

Baby One Plus
child seat
(5L0 019 900)

ISOFIX G 0/1
child seat (5L0 019 905) with RWF frame for rear-facing fitting
